From the President's Desk

Belated Happy New Year, but at the time I didn't know my position! Rivershyre is one of the oldest sub developments in the area and yet one of the more mature and beautiful neighborhoods which doesn't just happen, you work hard to make it so and we do appreciate that. It won't be long before spring is upon us and we would like to get your thoughts and ideas as to what we can do to make our community look even better and work towards getting to know our neighbors better as well. I have some ideas but I would like to get yours first. In advance I would like to thank you and do appreciate your support. Kindest Regards Mike King

Friendly Reminders

Remember the speed limit in the neighborhood is 25 mph. There are lots of people out walking in the this beautiful weather and kids are out playing. Please drive slow.

Also remember your trash can cannot be seen from the street. Please push it out of sight after your scheduled pick up.

Please keep the curb along your property clean.
